# DM MARSHAL & TRI-BARONIAL THROWN WEAPONS & ARCHERY COMPETITION

SEPTEMBER 7TH, 2019

Dragon's Mist Heavies Championship and Tri-Bat Announcement

Sponsoring Group: Barony of Dragon's Mist

Date: September 7, 2019

Time: 8:00am – 8:00pm

Location: Ten O'clock Acres – 23430 S. Beaver Creek Road, Beaver Creek, OR 97004

Site Fee - \$20 adults (\$5 membership discount, must show proof of membership), youth and children are free; Make checks payable to "SCA, Inc./Barony of Dragon's Mist"

The last, golden light of Summer will shine down upon the verdant fields of combat this September as doughty souls from across An Tir vie in our championship competitions.

The crash and strum of Heavies fighters will ring out across the forests and glades. The flash of keen arrow flight or speeding blade will slice through the air. Come see the display of prized An Tirian combat, or perhaps take part yourself! On this date the Fates will decide who is worthy to wear the mantle of Champion at the Dragon's Mist Heavies Championship and Tri-Bat Tournament!

All Championship Contestants Must Be Blue-Card Members of the SCA.

**DM Heavies:** The Dragon's Mist Heavies Championship competition is one shrouded in mystery, as the current champion, Duke Amalric Blackheart, will only reveal the secrets of this endeavor to the brave souls who arrive to fight. Bring armor, bring weapons, and gird yourself for the unknown!

**DM Archery:** Unusual Distances Shoot - Competitors will shoot rounds of 6 arrows at standard scoring targets... but at distances unknown! Current Archery Champion Rashida will roll her dice to determine how far away targets will be placed at the competition. Please bring your own gear.

**DM Thrown Weapons:** Again, this challenge is cloaked in secrecy, an enigma only to be revealed to those with the courage to chance the void. DM's current Champion, Gerik of Oakhurst, is plotting something truly challenging as we speak!

**3M Archery:** Ulaan is currently planning something truly exciting for this event! Check back soon for updates!

**3M Thrown Weapons:** Donnina Donatelli is, likewise, planning something to amaze and challenge all comers for the 3M mantle! More information will follow soon!

**Stromgard Stormhunter:** The call has been put forth from Their Excellencies of Stromgard. A new Stormhunter must be chosen. All those wishing to compete for the honorable title of Stormhunter must present themselves at opening court on September 7th. Competitors will need to be able to survive the beautiful wilds of our region by crossing rivers and stalking prey. Use arrows and spear to provide food for the Barony. Use swift and precise skill with ax and knife to protect its people and rid the Barony of bandits. Be prepared to tackle some minor obstacles and think quickly as some targets may move.

You will need to have: Bow and 8 arrows, 1 Spear, 1 Throwing

Knife, and 1 Throwing axe. (Loaner spear, knife and axe will be available if needed. Please have your own bow and arrows ready.)

If you have questions, comments or concerns please contact Lady Kata (Breanna Quinones) via facebook or email at Breanna\_q@live.com

This will be a competition you wont want to miss. Test your skills and maybe you will be the next Stormhunter!

## Officers Reports

**Seneschal** : Alexander present— Greeting to the Baron and Baroness, and the population of Stromgard. At storm gods, I entered into the Strom rider competition with the intent to ride Mortimer as my less than mighty steed. While I was unable to actually compete in the competition due to it conflicting with the war. Much to the actual relief of the Stormrider competitors who owned actual horses. I did go on what seemed like a very long ride with the Equestrian competitors. A very funny fact you all may not know horses are much much faster than a person carrying a stick horse. Other than that I have nothing really to report.

Alexander Son of Gray

The remaining of the garb in my possession has been washed and mostly sorted. I will still be holding a work party at my house in the near future to continue the gold key clean up project. I am also working with her Excellency Moi- ra, Helvi with A&S, and Dagmar with Demo to hold a SCA yard sale with excess gold key items up for sale to the populace and general public. **Knight Marshal:** Duncan present — written report

Attendance has been up this past month, with between 12 to 23 fighters showing up for practice. At the request of many of the fighters, practice has been moved to Marshall Park in Vancouver for the remainder of the Summer. When the weather turns, we will go back to the indoor practice area. There are no injuries to report at the local practice. No fighter practice during Sport of Kings.

**Rapier Marshal:** Chris present — written report

Greetings,

Practices are going strong again as we have seen people old and new at them. We had our baronial championship tournament. I believe it went great. We had 11 people show up and 10 people compete for the right to be the Stormblade. This is a great turn out compared to last year with 4 people. It was a hard fought tournament with 3 or 4 rounds depending on if you were the top 5. Will Tull earned the right to be the new Stormblade. Will being a baronial citizen it was great to the champion return to Stromgard. I will also be working with him to get either a weekly or monthly practice in the Battle Ground

area. There seems to be a good amount of people in that area that are interested but are unable to make it down to Vancouver to go to practice.

I am looking forward to see if having a practice at the park will improve our turnout. Now that things are winding down I want to return focus to improving turnout and setting up local events to get interest in our sport. I have some great ideas for classes this fall/winter including a monthly or bi-monthly historical style class. Or continuing our armor making classes with Bucklers or Gorget. I also want to work more closely with our baronial neighbors and exchange ideas, practices, and resources. No injuries or issues to report. Everyone have a great month.

Chris Perkins

**Archery Marshal:** Feradach absent— written report

Greeting unto Their Excellencies and the populace of Stromgard,

Archery is going better than ever this year. We have had up to 8 archers in attendance. Several of those have been newcomers. There have been no injuries or deaths to report. And the arrow that was reported lost last month has been found.

I was the archery MIC for Stormgods. We had several hours of open range time. We even managed to have another Par 3 golf tournament. After three holes of golf the winner was our own Matthias von Schwarzenberg.

Yours in service,  
Feradach the Beardless

**Thrown Weapons Marshall:**  
Matthias present, written report

Greetings to their Excellencies and Populace of Stromgard

Throwing weapons practice is doing good and due to life we will be back on track. Have some new rounds to throw at. I will be picking up more shortly. Feradach won the tournament at Stormgods

In your service

**Cut and Thrust** Refskegg present— written report

Greetings,

Cut and Thrust is still building steam. As we come out of our crazy busy summer schedule I'm hoping to get more official practices on the books. Good news, our StormBlade also wants to do cut and thrust as well as a growing community. So look for new posts soon for dates and times.

We did have C&T at StormGods. It wasn't the epic melee I had hoped for but we still had 4 fighters and I was able to get authorized. Huge thank you to Feradach (The Bearded one) and Taran for making the trip up from the Summits as well as Draco for joining us on the field.

YIS,  
Refskegg of House Bread  
Captain of Sargentry

# Event Reports

## Grand Thing 2019

Greetings to Their Excellencies and Populace of Stromgard . Grand Thing went off well. Thanks to the staff and all the volunteers who helped make this event possible. The teen dance was a big success along with the Monastery Raid. All the tournaments went well. We had a total attendance of 280. Broken down 130 adults, 24 youths, 23 children, 17 comp , 86 day trippers minus the receipts is \$3,494 plus a 34 dollar refund from trash. All in all, things went well. A few minor problems but nothing to report. Except the conflict in scheduling.

In your service

Matthias von Schwarzenberg

## Stormgod 2019

The event is completed. There are three new champions of armored combat, rapier combat, and equestrian.

I do not yet have attendance numbers for the event.

Financial information:

There are no outstanding payments due to vendors or the property owner.

I have approximately \$75.00 in outstanding receipts for printing and flagging tape for marking the site. There are other receipts that need to be submitted by Hlutwige for the Friday party, for waterbearing from Kata and Refskegg, and some for propane and other costs from Baron Duncan.

Incidents:

There was only one incident or injury on site that I am aware of and it was a mild dog biting incident that occurred on Saturday night. Abrasions from the dog's teeth were treated on site and the dog and the person appeared to be well after the incident.

Feedback:

Five items.

Merchants request in future events held on site that the angle of the sun in the afternoon be considered with regards to their site placement.

Requests from multiple individuals were made regarding the reservation of eric and land space, and they would prefer that reservations could be made in the future by household and not simply by branch.

Comments were made that dogs on site should be leashed, and that their handlers should be sober and in control of their pets outside of their camp.

Many individuals appreciated the reduction in drinking and the overall family friendliness of events on both Friday and Saturday. They encourage similar attempts to lower the level of drinking during eric parties and any Race for the Hoard in the future.

In the future, we may want to investigate segregating "game stations" with alcohol from those without. Perhaps using the eric and eric ropes as a dividing line.

## Tri-Baronial Archery Tournament

Hosted by Dragons mist — The Date decided is September 7th

## Yule 2019

Reservation with site made, I hope to have the check made out tonight by exchequer. I have completed the second half of EIF form. I have had some volunteers already but if you are interested in helping please contact me

## New Business

**Herald Tabards**—Moira put a call out for assistance making new herald tabards. Achaxe has agreed to be project manager. Will be coming up with a budget for new tabards by next meeting. Intent at this time is to teach and mentor. Washable linen was discussed as desirable.

**Prize Needed**—Prize needed for StormHunter. \$50 gift certificate approved by council at Bronze Hammer

**Tri-Baronial Archery and Thrown Weapons Tournament**—Tri-Bat is occurring at Dragon Mist's Marshal Championship Event on Sept 7th. Archery and thrown weapons can be done at the park but range is not known at this time. Baron is discussing this with the other groups to get this information as soon as possible. When information finalized will post on groups.

**Division of Thrown and Archery Championship**—Matthias proposed the idea of dividing Archery/Thrown weapons Championship (StormHunter) into two championships. New name under discussion for thrown weapons (storm breaker). Name has been submitted for approval and the hope is to have it approved by May championship. There were concerns expressed that separating archery and thrown may reduce attendance. It was decided to schedule a separate meeting with the archery and thrown weapons community to discuss this further. A date for a community meeting will be scheduled after council

**Vancouver Peace and Justice Fair**—we were approached to participate in an upcoming event. The event focuses on portraying characters that represent peace and justice. This would be a way to show what peace and justice look like in medieval times. If anyone is interested in participating please contact Refskegg. The baron requested more information on what exactly is being requested and what they are looking for to avoid misinterpretations. This is scheduled for September 14. Refskegg will coordinate with Dagmar when she returns from vacation.

## Other Business

No other business discussed

## Announcements

Baronial Council meeting will be held at a different Round Table on September 11, 2019 (13503 SE Mill Plain Blvd, Ste 1, Vancouver, WA) due to remodeling.

## Letter of Intent—

To Their Excellencies Baron Duncan Vitriarius and Baroness Moira Ramsay and the officers and populace of Stromgard,  
I am Póra Jórsalafari, mundanely known as Kerry Beckett - please consider this letter my intent and interest in the position of Deputy Exchequer underneath the baronial Exchequer, Everild. I have two decades worth of experience in other organizations, mainly LARP and gaming ones, as an owner, officer, budget planner, accountant, coordinator, and event director. I've been responsible for maintaining accounts and budgets, tax reporting and payment, cash and credit card handling, and purchasing in the previously mentioned roles. While my mundane job is not in the financial sector, I'm a senior manager of a medical device consulting firm and I'm entrusted with the review and managing of mine and my subordinates expenses, as well as handling payroll for my consultants. I think the role of Deputy Exchequer is in line with my interests and skill set and hope to learn about the responsibilities associated with the role from Everild. I appreciate your consideration and hope that each of you will support me for this role.

Regards,  
Póra Jórsalafari
