THE SIREN

The Barony of Stromgard Newsletter **August 2021**

LETTER FROM THE BARON AND BARONESS

Greetings Stromgard.

As many are now aware, Stromgard has instituted some new policies, We take these efforts to help make in person activities in the Barony viable, but safer, means for those who wish to participate. The work of policies was built from the tireless work of Ronan, and Attia our Kingdom Seneschal and was approved by society. We did not take any of these actions lightly or without great discussion or thought. All in person Baronial activities are now able to be held on private property. Our property is available for use for Meetings, Heavy Fight Practice, Arts and Sciences, Thrown Weapons Practice, and general social times on Wednesday and Thursday during the week, GaeRa continues to host the Stromgard Archery Practice on Tuesday Evenings, Peter will continue to host the Rapier Practice on Mondays. These are the actions of private property owners in Stromgard that will help us to continue to have in person activities.

Proof of vaccinations are required by the property owners. Those members unable to vaccinate must be willing to follow the CDC recommendations for masking and social distancing. We understand that this may prevent some people from attending in person activities, but we believe that these attempts to ensure the safety of us all, is our best course of action.

Safety is a group effort, especially in times like these. Even with our best efforts, sometimes events occur. If you find out that you have been exposed to an active case of Covid, we urge you to contact our Baronial Seneschal who can work with you help mitigate the spread of the virus. All of your information will be keep confidential. Your safety and privacy are our primary concern.

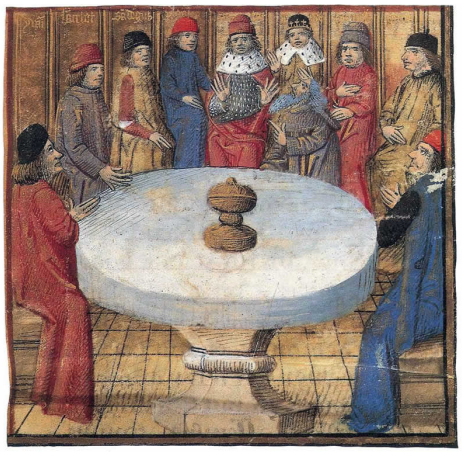

As Baron and Baroness we look forward to a time when this is a simply a memory and we are again participating in our SCA at full capacity without restrictions. We understand the difficulties of not being allowed to spend time with each other, but the hard work now will help all of us in the long run.

Yours in Service,
Moira, Baroness Stromgard
Duncan, Baron Stromgard

Officers Reports

Seneschal: Ronan Mac an Leagha, present. Written report.
Here is my August Seneschal Report.
Announcement from Corporate: https://www.sca.org/news/resolution-to-further-lift-suspension-of-in-person-activity-in-the-sca-as-of-august-1-2021/
For those of you that indicated you were interested in a background check. I only received one back since last meeting. Please let me know if you are still interested and we will try again. It is a process and generally takes about a month. For the continued safety of our members, all Baronial activities have been moved to private property and our vaccination only (with certain exceptions).

That is All

Chamberlain: Alexander absent.. Written report.
Greetings Stromgard,
The Baron and Baroness received the equestrian champions cloak and banner back. I will document and add these to the new tab of the champions equipment, in the visual inventory.
Thats all I really have,
yours in service,
Alexander

Arts and Science: Aíbinn absent. Written report.
As I am unable to attend the meeting this evening, I am submitting my report via email.
I am delighted to begin my tenure as the baronial Arts and Sciences officer. My hope is to engage and uplift people who are interested in and actively pursuing A&S activities. Our first in person meeting was a small group, but we had fun. However, given the number of people who have approached me and expressed concern over in-person meetings, I am trying to stay flexible moving forward, and listening to people's needs in this increasingly uncertain time. Our next meeting is canceled, as I have a conflict that I cannot reschedule, and I will touch base with the barony on social media to determine if September's meetings should be in person or online.

Thank you,
Yours in Service,

Greetings to Their Excellencies and the Populace of Stromgard! This chatelaine is so thrilled to be easing back into gathering and eventing!
Fight practice has drawn in some new folks and adding the element of open social time during practice gives us all the chance to catch up and check our comfort levels with each other as we gear up to do more.
Another thank you to our Baron & Baroness for hosting all the weekly gatherings and remaining considerate of ALL members of Stromgard. I will be reaching out to several newcomers in the barony this week, so if you know someone interested send them my way!

Knight Marshal: Elrin of Hrasselveg, present. Written report.
Throughout the month of July, the Barony held its fighter practice in Marshal Park in Vancouver. 6 to 12 fighters joined our practice as well as visitors from a non-SCA group tired out our style of fighting. Lots of good fighting and no injuries to report. *Verbal note: attendance doubled after vaccination requirement put in place.*

In service,
Sir Elriin of Hrassvelg

Rapier Marshal: Peter Bates, absent. Written report
With practices starting up again we are averaging about 4 people per practice with a high of 7 people. We have had a community event with a great turn out of about a dozen people. We did Salsa dancing and had some pizza over at the park. We also had a good turnout for some sparring on the grass. No injuries this month but a great start for practices that I hope to continue.

(Continued on page 3)

Officers Reports Cont.

This month I will be having another event at the end of the month to get people authorized for Tournament of Champions in September. I will be pushing the event also at practice to hopefully get a good turnout for the Rapier group. Otherwise, I hope to continue to have great turnouts and continue to teach.

Entering into the fourth year of being the Rapier Martial I try to set a goal for myself to accomplish every year. With the first year my goal is to setup a practice, and the second year it was to gather spare gear, the third year was to keep the Facebook page updated and as active as possible because of the plague. This year my plan is to focus on creating a community for Rapier in our area. I want to create an inviting location for everyone and make sure everyone that comes to practice feels like apart of the SCA family. Every month I will be having an event with food and family. We will have one thing as entertainment (dancing, tournaments, games, movies ect) and a meal. I will also encourage them to bring family and meet others in the group on a more personal level instead of just a practice partner. I want to encourage people to not only do rapier but to find other things that might interest them and to encourage people to come to events. I am going to try to be as much as a mentor as possible for everyone that I find that is new to SCA. My goal is that for anyone that joins us that they quickly feel apart of a group instead of just something they do on a Monday night.

When I originally took this position, I told myself that I will do this for 3 years then reevaluate if this is something that not only that I can do but if I am the best person for the position. And while I believe I have been doing well in the position I also feel like its best to allow someone else to step in and take over. I have been enjoying teaching in the last year and I wish to continue down that path and focus on hosting Rapier classes and form a college or school. I also want to focus on the house I started and work on creating a place that welcomes people that are new to SCA, help them find a home that they can belong to, and create nightly events for entertainment at events. So, with a heart with a mixture of sadness and excitement for the future I will be stepping away from the more political and official side of SCA and focus on the community side outside of official channels to create my own place in SCA. I will start looking for a replacement and if not found within one year I will step away without a replacement.

Yours in Service

Trash ordered, toilets resolved. We are still going forward. We will enstate a mask rule, indoor and outdoor for gatherings/activities, and may need to pare down for a day event, but we are giving it until September's meeting to decide on any drastic changes or cancellations due to Delta. We had built in for most any conceivable contingency, so we're good for now. *Meeting for staff next week.*

Yule 2021
Greetings to Their Excellencies and to the noble populace of Stromgard.

We have a site for Yule! Baron Duncan and Seneschal Ronan, accompanied by HL Aelfwynn Fiske and myself, did a walk through of the Mr Valley Grange in Amboy. It is a very pleasant site with good parking and a full kitchen, should we be allowed to have a potluck feast by December, per COVID guidelines. It is also right next door to a public school, a fact not lost upon our noble Baron and Seneschal. Keep posted for ideas that they may have for outdoor events for Yule as well.
The rental contract has yet to be sent by the Grange secretary due to a loss in her family but, once I receive it, I'll be sure to get it taken care of and will be requesting the deposit check at that time. I don't know yet who will be taking care of insurance but that will be taken care of in good time also.

More to follow!
