Letter from the Baron and Baroness

Grand Thing was a delightful success thank to all the volunteers and namely Lord Matthias who was our tireless Event Steward. Congratulation to our own Despotes Alexander Greyson on his elevation to the Order of the Pelican, welcome to the order.

Next our adventures take us to the An Tir/West War the first week of July. His Excellency Duncan will join forces with TRM and TRH An Tir, as the strength of Stromgard represents the strength of An Tir.

July 13th is the Yacolt Library Demo that is being organized by our Demo Coordinator Lady Dagmar. Due to prior commitments we cannot attend, but we ask all to join her in Yacolt to represent the wonder that is Stromgard.

July 19-21 we will travel to Coronation to witness the coronation of our Sovereigns An Tir. Once again, the strength and pageantry of Stromgard prevails as all Kingdom An Tir Royals are members of Stromgard. We have requested space for the Stromgard Pavilion on the Eric for our Community Space. Lastly for July is Stormgods where we will see a mighty challenge to vie for the rights of champions Stromgard. Our StormGod, StormBlade and StormRider will be chosen. We look forward to the display of honor on these fields.

As this is a time of new beginnings, we begin the adventure of learning from each of you. We thank you now for all your past, present and future contributions. Without each of you, our community is diminished.

Always in Service
Duncan and Moira
Lord and Lady Stromgard.

Last Letter from Ivon and Hlutwige

Greetings Stromgard!
Just over six years and twelve Kingdom reigns (four from Stromgard) We have come to the ending of our time as Lord and Lady of these lands. This is our final report as such.

It has been an amazing adventure to represent the Barony of Stromgard. From visiting our local neighbors to the distant lands of An Tir's offspring Kingdom of Avecal to the 50th Year Celebration in the Kingdom of the Middle, We have been mindful to take the spirit of Stromgard wherever we went.

We grieved with you at the loss of friends and family. May the delight of those lives, freely shared, continue to bring comfort through difficult times.

The people of this fine Barony successfully held twenty-five Baronial and Crown events during Our tenure. Growth and hospitality have been a main stay of Stromgard and our word fame has grown beyond knowing.

Many who call this Barony their home have been singled out by the Crown as well as by Ourselves for their service, dedication, skills and abilities and we have every confidence that the recognition of the worthy folks here will continue. The creation and bestowal of awards has been an incalculable honour. All of Stromgard's awards are a joy to present though the sentiment of The Dragon's Gate and the Bunchberry have made Us especially proud to bestow.

We have had the good fortune to oversee the creation of new members of the Stromgard Sergeantry. Few can grasp the heartfelt gratitude and affection We feel for each and every candidate, whether or not they were able to fulfill the requirements We set forth. The devotion and enthusiasm from each has been stellar and an inspiration to any who came within their orbit.

There are few words We can find to express the esteem We hold for you, Our family, friends and neighbors. A list of names could not do justice to Our feelings.

It is our sincere wish that Our successors receive the same support that We have enjoyed, continuing the prosperity of the Barony.

In service to you and the Dream we remain (for a bit)

Ivon and Hlutwige, Lord and Lady Stromgard.

Greeting to the Baron and Baroness, and the population of Stromgard.
Thank you to Hlutwige and Ivon for their service to the barony this will be the last council I will be running for you it has been a pleasure working with you both, and you both putting up with me. With that I would like to say I for one welcome our new overlords.
Moving on, there is a lot to go over tonight.
All of kingdom law has been rewritten, all of the extensive changes were read aloud at May crown.
The changes are to extensive to go over here, but a limited overview is most wording was changed to be gender neutral. If anyone would like a compared change document please contact me.
Additionally, the An Tir bullying and harassment policy has gone into effect as of May Crown. The document summarizes what is and is not bullying and harassment. It also defines a process to file a complaint, when a person is either being harassed or witnesses another being harassed. I will be working with my deputy and the baron and baroness on the process. For further information this document is available online on the kingdom site for anyone to review.

Knight Marshal: written report from Duncan
Attendance has been between 7 to 10 fighters this past month at the Baronial practice. The Tri-Baronial practice was held on Sunday June 2nd, and we had 25 fighters show up. There are no reported injuries at the local practice, or the regional practice . His royal highness would like bi-annual tournament.

Rapier Marshal: Chris absent
Greetings,
I don't believe we had practice in the last month due to travel to events and vacations from Draco and myself, Therefore no injuries or issues.
This coming month I wanted to focus on getting the classes for shirt going and getting people excited for all the camping events.
Thank you for your time
Chris Perkins

Archery Marshal: absent, written report
Greetings Unto the Baron, Baroness and populace of Stromgard
Archery practice has been going pretty well the last month. Attendance has only been between 2 and 7 people so far. We have had to mow the field a couple times so far and will need to do so again in a couple weeks. There have been no injuries.
I was the Archery MIC for May Crown. We had several hours of open range time and three novelty shoots. The first novelty shoot was called Triangle and the winner was Robert of Wolford. The second shoot was called Falling Leaves and was won by Alaricus Simmonds. The third was an early morning round of Par 3 Golf and was shot accompanied by coffee and donuts. I was the victor of this shoot.
The novelty shoots were enjoyed by all. And I decided to start incorporating them into our practices. So far we have done the Par 3 Golf and the Triangle shoots at practice. I will be trotting out a new novelty shoot every couple of weeks this summer.
Yours in Service,
Feradach the Beardless

Thrown Weapons Marshall: present
Verbal report
Have been working on range. Things are going well. Need to find rounds for throwing range. Unconventional throwing range was well received at May Crown and was won by 13 yr old.

Lists: Rusudan absent. Written Report.
Unto Their Excellencies and Noble Populace of Stromgard-
I have greatly enjoyed the honor of serving as your ListMistress these several years- witnessing the excellenct skills and chivalry of our noble fighters has provided me with much pleasure.
However, my mundane life has made it increasingly difficult to be available to serve the Barony in this way, so it is with some sadness that I must tender my resignation as your ListMistress, and encourage another to step into the office.
Thank you for allowing me this past time of service.
Sincerely,
HL Rusudan

Letter of Intent for Chronicler

Greetings to your excellencies and to the council of Stromgard. I submit my letter of intent to indicate my interest in becoming the new Chronicler for the Barony. I have experience with typing and am capable of touch typing approximately 56wpm at a 98% accuracy. I have a Laptop and my new job schedule allows for attendance consistently to the baronial council meetings. I understand the responsibilities that are involved in the position of Chronicler and feel I am capable of taking them on. I have consulted with the current Chronicler and if I am accepted a plan for training me in the new position has already been discussed. The only challenge I foresee is I do not currently own a copy of publisher, which is what is used to produce the monthly newsletter.
Thank you for your consideration
